Sheila is deeply committed to promoting equality, protecting human rights, and preventing child abuse and human trafficking.

Sheila Rura joined the MJ team in 2006 as a risk transfer specialist in the Construction practice group within our Risk Management + Commercial Insurance department. Since then, she has advanced to the role of Account Executive, on our Strategic Marketing team, acting as our subject matter expert on large speciality construction accounts and builder's risk. Sheila oversees carrier relations, builds and nurtures relationships, and establishes forward-thinking strategies to enhance our partnerships that enable us to deliver an exceptional client experience.

With nearly three decades of industry experience, including spearheading the Risk Management department of a Fortune 500 company, Sheila is a true luminary in her field. Her extensive knowledge of insurance and risk management makes her an invaluable asset to our team.

Beyond her professional achievements, Sheila's greatest passion lies in ensuring her three grown sons thrive as happy, healthy, and productive members of society. In addition to her three sons, Sheila has a rescue lab mix named Penny. One day, Sheila hopes to face her fears and go skydiving. In the meantime, she spends her free time reading mystery novels and listening to all types of music from Bach to ZZ Top.
